

Max
Media Console

GDS25LD-1651CW

Clean, elegant design
is only the beginning.

Scandinavian style with a low profile design creates the minimal, yet sleek appearance of the Max Media Console. The distinctive cabinet doors feature glass inserts that allow a view into the storage area, which is also ideal for electronics. Strong, simple legs provide an elegant finishing touch and raise the overall height to optimize the viewing position.

MultiFire XD™

Max Media Console

GDS25LD-1651CW

Features

- Multi-Fire XD™ Flame Effect**
Vivid flames that are brighter and more lifelike day or night.
- Realogs™**
Molded from meticulously selected and charred hardwood and positioned to maximize the illusion of depth and the appearance of burning firewood.
- ComfortSaver™ Heating System**
The patented ComfortSaver™ ceramic heating system uses 11% less energy than the leading quartz infrared heater by automatically adjusting fan speed and heater wattage to safely and precisely match the requirements of the room.
- Media Accent Colors**
Choose from a variety of brilliant color themes or cycle through a range of colors using the custom mode, freezing on the hue of your choice.
- Flame Accent Colors**
Accent the flames with custom base colors from warm red to gas blue.
- Precision Thermostat**
Electronic thermostat maintains room temperature within 1/2°C (1°F) for perfect comfort and increased energy efficiency.
- Economical**
Economical to operate costing only pennies per hour.*
- Low Carbon Footprint**
The most sustainable fireplace option; no emissions and 100% efficient.
- Mood-maker Remote**
Customize the light color and intensity for a fireplace that reflects your personality.
- All-season Flames**
Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.
